

Look, say, cover, write, check

Five words at a time is plenty. A grown-up or the child writes today's words in the first column.

Name _____

1 Look at the word. Which part is the tricky bit?

2 Say it out loud.

3 Cover it with your hand or fold the page.

4 Write it from memory.

5 Check it, letter by letter. Not the same yet? Have another go.
